5. **Brethren**, We wish to inform you of an open door we believe God has placed before us. There is an opportunity to begin a work among the Indian Tamil speaking people in Toronto; specifically among the many dedicated viewers who follow Dr. Peter Solomon's daily TV program. The plan involves assisting Victor Immanuel, brother-in-law to Sabastin Daniel, to move to Toronto from India and lead this work. While the church in Bramalea would sponsor the work, funds would be raised separately to support the mission. We are asking for your input and feedback. **Sincerely, The Elders**
6. Visit our website and click on the 'Donate Now' button, or click on the 'Give' tab in the main menu to learn about the ways you can still **contribute to the Lord's work**. If you are uncomfortable with giving online you may still mail in your cheque or bring your contribution to the building.
7. **Lee Wood** left his pain behind on November 16, 2020 and is no longer suffering. Thank you to everyone who prayed, phoned, brought meals, cared for my car, offered rides and showed love in so many ways over the 50 years @ Bramalea. There will be no memorial at this time as we cannot be together as we would like to. **Love Kay & Family**

**Prayers**

**Dennis MacKay will be greatly missed.** Please continue to pray for his wife Wilma and family during this time of mourning. Cards of sympathy can be sent to: 34 Summitcrest Drive, Toronto, ON M9P 1H2.

Continue praying for **Loraine Thomas'** full recovery. By God's grace and Mercy things are on schedule. She's in the stage of managing pain. May all her discomforts alleviate.

Keep **Bruce Franklin** in your prayers that his heartbeat will normalize. With the pacemaker let's pray that his heart will function smoothly and in proper condition.

**Christopher Sabastin** is getting better day by day. He started walking with walker and determined to be home as soon as possible which makes him to work hard. He is expected to be released from the Rehab Hospital Mid-January. Let's pray that everything will be in order and safe. May God also protect them from the virus, for a Covid patient is near to his room.

Pray for Kaye Wood and Family. **Lee Wood passed from this life to be with the Lord last Nov.16 2020.** May God's comfort and consolation be always upon them. Lee had been one of the early members of the Bramalea church, and served as a teacher, deacon and elder. We will greatly miss him.

Pray for **Janet Banks** as she continues with physiotherapy for her shoulder. The progress has been slow. We thank God for **Dylan** and **Alec** who have been a great help to Janet.

Continue praying for **Kevin** that he may find the appropriate treatment for his shoulder. Pray that God's guidance and healing be upon him.

Continue praying for strength, healing, direction, and wisdom as we navigate our way through the **COVID-19 pandemic.**

**Ruth Norquay** - for relief from lingering pain in her legs and good health and well-being.

Please pray for **Clebert Marcus**, Kim Gilbert's father, who has been diagnosed with a tumor in his head. His condition is not good.

Continued prayers are also appreciated for those of our members in LTC homes. They include **Grace Aikins, Betty Cowan, Lillian Barnes and Vince Hearn.**

**1 Chronicles 16:8-9**

Give praise to the Lord, proclaim his name; make known among the nations what he has done. Sing to him, sing praise to him; tell of all his wonderful acts.
