

With Summer transitioning into Fall, we are all enjoying our new home with the church in Bangor. The larger congregation (about 30 + members) means better singing and fellowship times. The speaking is shared between several of the men, and I am delighted to be able focus more on outreach.

This year we have had three baptisms, including one this past month. All three are between 20-35 years old and were reached in different ways. One was a work colleague of one our our members, one was reached through literature distribution, and one was an old friend of one of the members. All three are faithful in attendance and keen to learn and grow in their faith.

With our additional numbers, we have been able to get involved in some new events, including evangelism training, Bible distribution at community events, and a Family and Friends Day, which brought eight visitors to our Sunday morning assembly in early July. Next month our men's outreach discussion group resumes in the Peninsula area, and both men's and ladies' classes resume for church members.

When we moved to our new home, I started walking our neighbour's dog as they were not able. Through that, Sally and I have become very friendly with their daughter who was living there temporarily. Recently, she moved to a new home and several church members were able to help her with cleaning and decorating. We hope to be able to reach her with the gospel.

We pray that God will continue to bless all of you as you grow to know him more and reflect his love in your lives. Please pray for our new members and for our outreach into the community with the gospel.

David & Sally Dunn
