

Living In God's Grace

Family Work Sheet and Discussion Guide: May 14, 2023

Text: **Joshua 9**

_____ believe everything you hear and see.

Let's _____ the Lord about everything.

Let's _____ our commitments - _____ our promises - _____ our word.

Let's _____ those who lie against us.

For discussion:

1. What was your favourite costume as a child or maybe a favourite role you played in a school play or in pretend play? Why was it your favourite?
2. **Read Joshua 9**
3. How did the kings west of the Jordan react to Israel's conquest of Jericho and Ai? What specifically did the people of Gibeon do and why were they so convincing? What would you have done if you lived west of the Jordan?
4. Discuss what Joshua and the leaders of Israel did well and what they did not do well. What lessons are here for us to learn?
5. What lessons might we learn from the Gibeonites? When should we be fighters and when should we be submitters?
