1. Take a moment to discuss what impacted you most from Sunday's sermon.
2. Discuss the various ways the word "church" is used by people in our day. What is a Biblical view of Christ's church?
3. EKKLESIA (Greek word for church) means the "called out" ones or the assembly (gathering). In what ways are the believers the "called out" ones? What is the purpose for our gatherings (Hebrews 10:19-25)? Why is it essential that believers assemble?
4. Discuss Jesus' perspective of his church. How might we further develop Jesus' perspective of church as our own?
